

Modern slavery act transparency statement

The board of the Elliot Foundation Academies Trust is cognisant of the company's obligations under the Modern Slavery Act 2016. Trustees are aware that it is their responsibility to ensure that the company and its officers comply with this and all other relevant company, charity, employment, education, safety and environmental legislation.

They are satisfied that the company meets these obligations and that their processes of governance and audit give them the confidence to make this statement.

They expect that the company will shortly be recognised as an accredited Living Wage Employer.
